English Golfers Finish One-Two On First Day of L. I. Tourney

Jimmy West, the Pro. With a Smile, Leads the Field that his sense of humor and a sound game of golf is going to return him the victor when play ends to-night. West's cards for the two rounds follow: With Card of 149.

T the end of the first thirty-six holes of play in the Long Island fessional, webbied slightly on his mor-ing round, and had to be content with 76. He came back with a better gan open championship tourney over the Cherry Valley Golf course in the afternoon, however, and finished two Englishmen were perched in th out with a 74. Heron's game is steady, methodical sort of affair, cer tain to always carry him there or there American still three stroites away in for until the final putt is holed. Heron's English professional at the Rockaway Hunt Club, led the field in the Long Island open at the end of the first day Afternoon Rougd—
Out 4 5 4 4 5 5 2 7 4 5 6
In 6 5 5 5 4 4 8 3 3 3 7
We intend to follow Jimmy West, his
sense of humor and his good shots to
day and report in greater detail on hi of play with a total score of 149 fo the 36 holes, and that George Heron

also lingitsh but hailing from the Meadow Brook Club, trailed close be ed our head in covering the tours int. To-day we shall use our f usting all the wide with clubble hind his countryman with a gree score of 150. William Kline, Garde alth that he comparison will be mad City, was the only American able t come in with a score of 152, and con

sequently dropped into third position.

In the morning round West stepped
blithely over the course to the
tune of 74, getting a 38 on the outward
journey and 36 on the way home. He
started the first nine with a pair of
threes, and then proceeded to take three
putts on the third green after getting
on in two good shots. Following
through perfectly with his sense of
humor, however, West forgot that
gloomy performance and went on with
the business of collecting a good score.

It is possible that some funcreal devotee of this sad game of golf may
have tried to convince West during the
lunch hour that he should take the
game seriously work hould take the

wind was from the north at the a toust offered to the American girl ath-letes. The girls rallied nobly to the or-deal and each took only a sip. They begin final training to-day at the Co-laid their course to the thish.

The start of the achoener class wa the best of the cruise. Nine big yacht

ered to them as a training track. The with their battoen sails drawing swep rich food in the famous French dishes down to the line almost alligned, and has been barred from them during the Vagrant, with Commissione Vanderhill period of training

is out to win and is determined not to let the city of galety interfere with its chances.

It has been decided to enter the team in all events, although the American girls have had little experience in jave-im throwing and long runs, such as the 1.000 metres. The managers of the neet refused to place the running hop, step and jump; basketball and the base-ball throw on the programme. There is considerable disappointment abong the girls because these events do not appear, as they excel in these branches.

They will give, however, an exhibition of them after the meet.

The female athletes seem confident of first and second places in the hurdles.
